Speakers Held Audience Spellbound-Will D. Upshaw's Address Indescribable.

The court room in the county court louse was packed last night and standing room was at a premium at the meeting held in the interest of state-wide prohibition. The speakers were Dr. John E. White, the Atlanta pastor who recently came to Anderson in answer to a call to the First Baptist church, and Will D. Upshaw, better known as the "Georgia Campaigner." Both addresses

# Less Meat If Back

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority because the uric acid in meat excites the kidneys, they become over-worked; get sluggish; clog up and cause all sorts of distress, particular-ly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder

and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Saits from any good pharmacy; take a tablespoonful for a few days and your kidneys will then get ised for generations to flush clogged kidneys and stimulate them to nor-mal activity; also to neutralize the cids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean,

The meeting was called to order by the Rev. John W. Speake, paster of St. John's Methodist church, who after prayer by Rev. D. W. Dodge, introduced Dr. John E. White.

Dr. White's attack on the liquor traffic was strong and in a few min.

He said his speech was to attack that evil which had not ing for its defense except that it put money in the treasury. He reviewed the action recently taken by Russia and France in putting the cvil down and of the serious consideration in Eng-land of doing likewise. He stated that enemy was the cvil of the home, the mother, the wife, the child and the church, the ally of distase and the devil. He stated that the reason the Local Option league was advocating local option was because it knew that it could not get the whole cheese. He closed his address with an appeal to the voters to go to the polls on next Tuesday and cast their voles against that which has caused more sorrow, more poverty and more deaths than all other evils com-

"Nothing like it was ever seen or heard in Anderson before" said an intelligent farmer as he left the court house last night after hearing Will D. Upshaw, the magnetic Georgia "Orator on Crutches," in behalf of state-wide prohibition.

The crowd was nothing less than a marvel. On less than twenty-four hours notice the conservative town top of expectancy that the court house was piled up into the gallery and packed to standing room, and the magical power of the eGorgia campaigner over the audience was shown in the fact that although he had just made one speech of forty minutes to an enthusiastic crowd at the Second an enthusiastic crowd at the Second Baptist church, he took hold of his audience at 9:15, just after the elequent and stirring speech of Dr. Johin E. White, and held it-many of John E. Waite, and held it—many of them standing—for one hour and for-ty minutes. They laughed, they stormed with applause, and before the speaker closed, many were in tears. The speaker was given an ovation at the close of his indescribable ad-

There is something about a pole cat that just won't "regulate"— and as long as you sell liquor in a dispensary that makes a man rob and beat his wife and children and shoot down his best friend, that liquor shop "regulated" for the safety of your home and mine.

With a dramatic story of William L. Yancey in a speech in New York, "Breaking With the Union" and de-claring that "Alabama's past has been my past and Alabama's destiny shall be my destiny," the speaker pictured September 14th as the day of South Carolina's coming independence." Whatever your differences before whatever your lines of cleavage in politics or religion, come and stand together on the one glorious plat-form of the home that builds the christian citizen, and say to your debauching, profit-sharing liquor shops, "We break forever with your greed and graft, your slime and crime and last our vote for God and nome and every land."
